Art.-Nr.: 7.002.71

SM 2KU Mobile Main Station

Pump station with built-in SR 25-1 satellite station module and air compressor.

Mobile Main Station combines both pump unit and satellite station functions. It is recommended for use in distant locations where installation of central cleaning system is impossible. SM 2 KU Mobile Main station is particularly useful in locations without compressed air network.

Models available:

with self-reacting hose (SM 2 KU AV)

without air compressor (SM 2)

Technical specifications:

Rated capacity: 33 l/ min

Max. supply water pressure: 1,5 bar

Max. outlet water pressure: 25 bar

Max. inlet water temperature: 70°C

Max. supply air pressure: 4 bar

Min. air demand: 150 l/min

Water consumption on foaming: 6-8 l/min

Max. hose length: 25 m

Max. water discharge: 2 m³/h

Weight (without accessories): 87

Dimensions:

Height 85 cm

Width 60 cm

Length 150 cm
